

Your Credibility

NEW DEBIT & ATM CARDS ARE HERE!!

You should have received your new debit or ATM card in the mail! The Credit Union has changed the provider of our debit & ATM cards and we are very excited! Shazam will be our new provider.

The card you currently have will not work on the morning of July 7th. Keep in mind that when you get your new card you will need to contact any auto payments you have set up with your current debit card number and get those updated and changed.

Call 1-800-717-4923 to set up your new card. To activate your card and customize your PIN, you will need your card; last four digits of your social security number and be calling from the number that is attached to your account. If you have any questions on how to activate your new card, please call our office and one of our staff will help you with that process.

OPEN HOUSE IN CALDWELL

Our Caldwell office, located at 508 Main Street, will be having an open house July 30, 2021. We will be giving away water bottles for the children, t-shirts or hats for our adult members and ice cream all day! (While supplies last.) The radio station will be there from 1-3 for a live remote. Door prizes will be drawn during the live remote! Stop in and check out all we have going on!

SWITCH (and save money!)

Bring your loan here from another financial institution and we will either lower your current rate by 1% or give you our rate, whichever is less. We will even waive the loan application fee! With E-doc signing you don't even have to drive to the office. It can all be done electronically. How easy is that to save money? Offer ends September 30, 2021. *Proof of current rate required. Loans subject to credit approval.*

BACK TO SCHOOL SHOPPING

It will be time for our little ones to go back to school before we know it. To help our members with the added expense of school shopping, the Credit Union will once again be offering our Back to School Loan! A little change this year though, we will be offering \$1200 for 12 months at 7.99%. Offer ends September 30, 2021. *Loans subject to credit approval. \$20 application fee required.*

POST COVID LOAN SPECIAL

Let's celebrate! The world is getting somewhat back to "normal". Mask mandates are gone and we can see your smiling faces! The Credit Union will knock 1% off your interest rate on any new loans. Let us make you smile with a new loan! Offer ends September 30, 2021. *Loans subject to credit approval. \$20 application fee required. New loans must be new money, not an existing loan with the Credit Union.*

WE APPRECIATE OUR MEMBERS

We would like to show our appreciation to you, our members. You stuck with us through the 2020 pandemic. It was a rough year with a lot of changes but we made it through it together. The whole month of August we will be handing out free ice cream. Every Friday in August we will have drawings for t-shirts and other great prizes. Ask us how to get signed up!

President's Corner

Greetings, I don't know about all of you, but I have noticed that many of my conversations these days start out before COVID-19, or during, and now I say since COVID-19. I do recognize that this season of our lives is not completely behind us and it has altered the lives of everyone in different ways, but we are happy to be coming out on the other side. I just want to say a (December 11) big thanks to the employees of the credit union for reacting quickly and diligently in making decisions that protected all of us physically and financially. Most of all I feel a huge amount of gratitude to the members that stuck by us during this crazy season. Many of our members are healthcare providers, grocery store workers, correction officers, and I could go on and on about the front line members that never missed a beat doing what they are good at. We are forever grateful for your dedication. Those of you that know me personally know that technology and I aren't best friends. Sometimes I look at the new upgrades that the credit union is now offering and I think not me (because I don't understand how to use it). The beauty of belonging to our credit union is that I think the staff has patience that goes on for days. Please never hesitate to use any of our services because you don't know where to begin as the employees are so ready to help. I want to close with another big thank-you to all my fellow members and I wish you sunny and healthy days.

Your board President,
Tammy Clark
